

## Jane Coleman School of Dancing Spring 2016

Welcome back and I hope you all had a wonderful Christmas, lots of presents, celebrations, visiting families, friends and generally just having a good time. I hope you all helped with the washing up!

Thank you all for my many cards and lovely presents, which were also enjoyed by my family and friends.

Truffle and Mozart had a great time thinking that any present was deemed to be theirs and quickly just dived in! They are currently both to be seen in and around the village sporting new collars.

Ballet, Modern & Tap exams are upon once again, the results over the past year have been amazing, some well marked into the 90s! A wonderful achievement for all the children, taking exams and gaining recognition for their hard work.

Congratulations to Miss Rachel who gained Distinction for her Licentiate Ballet, and to the girls who gave their time to be demonstrators for the teaching section, although they are not being examined it is quite stressful, and you were all amazing. Thank you.

The Summer Term is very poignant as we sadly say goodbye to pupils, some I have taught since they were 5, but they leave to go onto new exciting adventures, no more home cooking, or personal slaves, we will all miss you.

I wonder how their first term went ?

Paula Tollett – Farnham University to study Photography

Robyn Matthews – Cambridge School of Art to study Photography

The Choreography Trophy once again will be hotly contested, open to all pupils, a marvellous opportunity to show their own choreographic skills and a wonderful dance afternoon, please come and support these young dancers.
